**RECOMMENDATIONS**

After some discussion with the committee it was felt that each coach should be prepared to officiate or to train sports performance /leadership students to officiate and help with moving bean-bags however, we should teach the players that this is a game in which they need to become responsible for their own conduct and etiquette.

(3/2) Must be at least two girls on the field at all times. In case of an injury/no sub, team would play with one girl for a total of four players only. Players can move up a grade to play but not down.

Mouth guards are recommended. Shorts should not have pockets – if necessary tape pockets closed. Two minute warning will be given for each half – 3 plays allowed.
