

On **Tuesday June 9, 2015**, representatives from the:

CBE, Global News, CTV News, Herald, Calgary Sun and Impact Magazine, etc

would like to film/photograph/videotape or make an audio or digital recording of your child/child's work or yourself/your work. The purpose of this request is for the:

Thermopylae 2015 Obstacle Course Race

All or portions of the work referred to above will become part of the media organization's database and may be adapted for other educational or non-educational applications, productions, broadcast, re-broadcast, published, exhibited, reproduced, and/or distributed in various media formats to a number of markets. Once photographs, student name, and other identifying personal information and student work are released in any public forum, the Calgary Board of Education cannot control or prevent the further distribution or use of the material by those who access the information.

Schools cooperate with the media and other organizations, within reason, to encourage celebration of school achievements and the sharing of information about students and student work. However, we recognize that there are instances where parents may not wish their children to be recorded.

Similarly, for independent students or adults, this is an opportunity to share your work with others. However, we recognize that there may be instances where you do not wish to be recorded. Parents or independent students/adults are under no obligation to consent; it is their voluntary decision to do so.

This form must be returned to the school before the student/adult begins participation in this activity. If you do not return this form, this indicates a refusal to consent. You reserve the right to withdraw your permission at any time. If you wish to withdraw your permission, you must make such a request in writing to:

(School principal or designate)
